The
Patron Saint
of the Institution

Saint Louis-Marie Grignion de Montfort

St. Louis-Marie Grignion de Montfort was born on 31st January 1673 in the small town of MONTFORT in western France. Even from his childhood days he was virtuous and demonstrated an extraordinary love for the poor. He admired and loved Mary the most saintly mother of Jesus Christ.

He became a priest and worked ceaselessly for God and went about from place to place with the message of God's love for humankind. He served the poor people and championed their cause. He was a great scholar, powerful speaker and author of many spiritual works, such as 'The Love of Eternal Wisdom' and 'True Devotion to Mary'.

His capacity to paint and carve, along with his literary and poetic skills, has made him a spiritual "Leonardo da Vinci".

He never bothered about the consequences of telling the 'truth' and doing what was right in the eyes of God. He was victimized by the world for his honesty, conviction and outspokenness.

He died at the early age of 43 on 28 April 1716. He was acclaimed a Saint by the people and the Church. He established three dedicated groups of men and women to carry on his good works, particularly the education of the young. One such organization is that of the Montfort Brothers of St. Gabriel.

Lake Montfort School and many such educational institutions all over India and abroad are administered by the followers of St. Montfort under the banner of 'MONTFORT SCHOOL'. About 2.85 million children and youth are being educated by the Montfort Brothers in 33 countries.

TAKE ADVANTAGE OF LITTLE SUFFERINGS EVEN MORE THAN OF GREAT ONES.

*God considers not so much what we suffer as how we suffer. . .
Turn everything to profit as the grocer does in his shop.*

— ST. LOUIS-MARIE GRIGNION DE MONTFORT

Mary Mother of Christ

Pray for Us

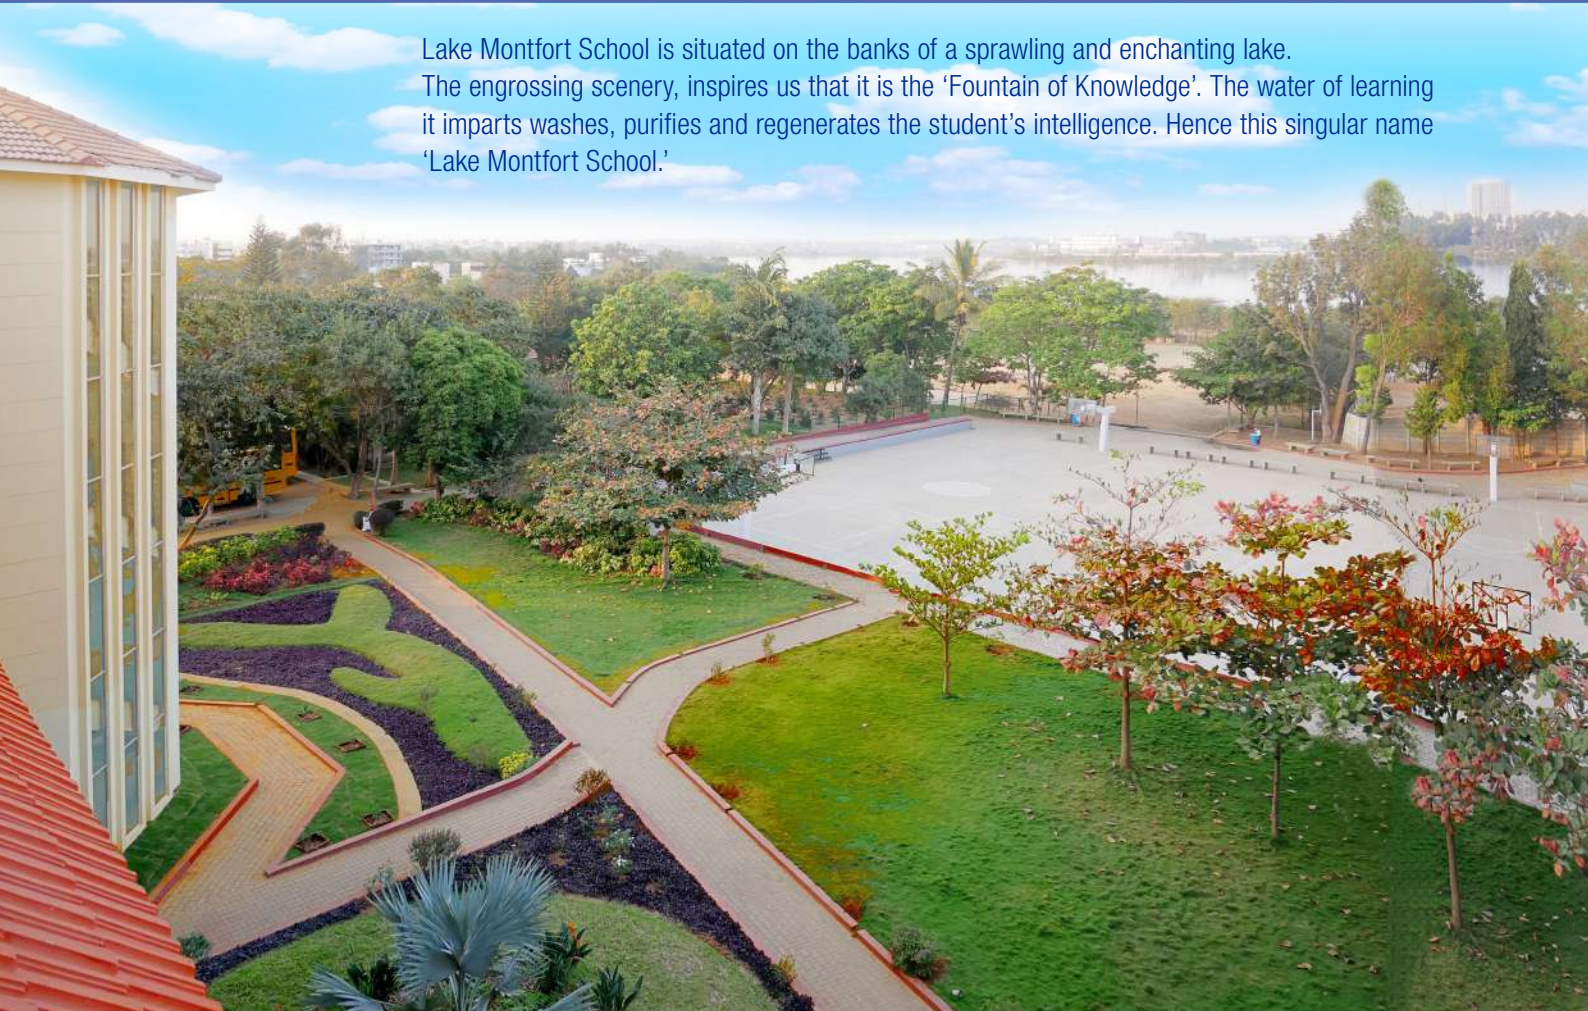

ALL TRUE CHILDREN OF GOD HAVE GOD FOR THEIR FATHER ...

*and Mary for their mother; anyone who does not have Mary for his mother,
does not have God for his father.*

— ST. LOUIS-MARIE GRIGNION DE MONTFORT

The School

Lake Montfort School is situated on the banks of a sprawling and enchanting lake. The engrossing scenery, inspires us that it is the 'Fountain of Knowledge'. The water of learning it imparts washes, purifies and regenerates the student's intelligence. Hence this singular name 'Lake Montfort School.'

In coalescing 'Lake' with 'the Saint' we underline the twin dimensions of education at 'Lake Montfort School'—the concrete and the sublime, the temporal and the eternal, studied knowledge and enlightened wisdom. Thus the profile of the Montfort student is: on one hand

an educated, dutiful, well mannered, dynamic, loyal and highly dedicated citizen of the nation and on the other, a child of God with a multitude of brothers and sisters, on the voyage of this earthly life to the other shore, with one's inner eye ever open and vigilant.

Holistic Education

Rise & Shine

Our motto is 'RISE AND SHINE'.

Like the Buddha, one rises to enlightenment from one's slumber of ignorance, attachments, fears, selfishness, hatred, discrimination and violence, so as to attain selflessness in service, inspiring leadership, noble truth and peace. Thus the objective is to be a beacon of light.

The 'Cross' symbolizes the Montfortian concept of 'suffering' — a blessing in disguise.

The school Emblem has the figure of St. Montfort, the Patron Saint of our school.

The words, 'God Alone' printed on it was his motto.

The Book symbolizes true knowledge and learning.

The 'Torch' symbolizes the 'divine light' we need in our path of progress to reach success.
